

Exploitation Risk Reduction Plan

Name: Joe Bloggs

DOB: 01/01/2001

Category: CCE

Risk Level: High

Date: 01/09/2019

The Risks:

- 1) The family home has been threatened to be fire bombed
- 2) Joe goes missing for long periods of time
- 3) Joe may be hurt by the exploiter
- 4) Joe does not understand the risks he is placing himself in and how this may affect his future

<u>Actions to be taken on how to reduce the risk. It is useful to think of what are the risks and then outline below what the response will be to reduce the risk.</u>	<u>Person/Service Responsible</u>	<u>Timescales</u>	<u>Completed Yes / No</u>
Prepare (Profile)			
GRAFT to support mum on how to respond to the effects of exploitation on Joe and herself	GRAFT	Within 2 weeks	
Prevent			
Is it the decision of the multi-agency meeting that this child should be flagged for CCE on agency records? Y/ N YOS to complete work to increase Joe's understanding of the risks he places himself in and how this will affect his future.	All agencies YOS	Ongoing as part of Referral Order – work to be prioritised due to risk	

Protect			
The police to be informed and a high risk marker placed on the address	Social Worker	Immediately	
Fire Service to provide smoke alarm and fire blanket	GRAFT to refer to the Fire Service	Immediately	
Target Hardening to be completed on the property, additional locks and safety locks onto letter box	Humberside Police	Within 1 week
